

**In Federal-Mogul Sapanca Plant smoking is no longer allowed in the areas given below in order to provide healthier and safer life for our employees:**

- **In all closed areas within the plant's borders,**
- **In all open areas apart from the walking paths at the beginning and the end of shifts and during break periods.**
- **In the areas where dangerous and hazardous materials are stored, transported, loaded and unloaded,**
- **On personnel transportation vehicles,**
- **On company vehicles,**

**It is necessity of our company's culture to put cigarette butts into the ashtrays.**

**It is the line managers responsibility to provide the leadership to meet this policy.**
